Abin S

Full Stack Developer

As a passionate MERN Full Stack Developer, I excel in creating innovative web applications. I specialize in dynamic, responsive interfaces using React, and robust, scalable server-side applications with Node.js and Express.js. My expertise in MongoDB ensures flexible, performance-oriented databases. Committed to clean code, best practices, and continuous learning, I thrive in collaborative environments and am dedicated to delivering exceptional digital experiences that drive business growth.

EDUCATION

BSc Computer Science
School Of Technology And Applied Science
06/2022 - 03/2025

MEA(R)N Stack Web Development Expert - Angular & React
Luminar Technolab | Kochi,Kerala
11/2022 - 07/2023

WORK EXPERIENCE

FULL STACK DEVELOPER
Freelancer
09/2023 - Present
Achievements/Tasks

- **Completed MERN Stack eCommerce Web Application** : Successfully developed and deployed a robust eCommerce web application using the MERN (MongoDB, Express.js, React.js, Node.js) stack. Integrated features including user authentication, product management, cart functionality, and secure payment gateways.
- **Optimized Performance** : Enhanced the speed and performance of client websites by implementing efficient coding practices, optimizing images, and minimizing server requests, resulting in improved user experience and higher search engine rankings.
- **Client Satisfaction** : Consistently delivered high-quality web solutions that exceeded client expectations, earning praise for attention to detail, timely communication, and ability to understand and fulfill project requirements within budget and timeline constraints.

SKILLS

JavaScript   Next JS   React JS   Tailwind CSS
Express JS   MongoDB   Node JS   HTML
CSS   Git

PROJECTS
